

ANTARES 2.0

MARKET INTELLIGENCE NETWORK

Move with the signal.

The advantage belongs to those who move first.

Value the moment.

ONE NETWORK. TWO MODES.

Clear access to live market intelligence.

COPY keeps capital on your own supported exchange. Pool coordinates capital through a transparent operating model. Every session follows a documented lifecycle.

COPY

Your exchange. Our live intelligence.

One-time access: \$89.99

25 private LIVE sessions

Advance asset and exchange alerts

Telegram instructions

You choose position size and execution

ANTARES POOL

Capital coordinated. Results transparent.

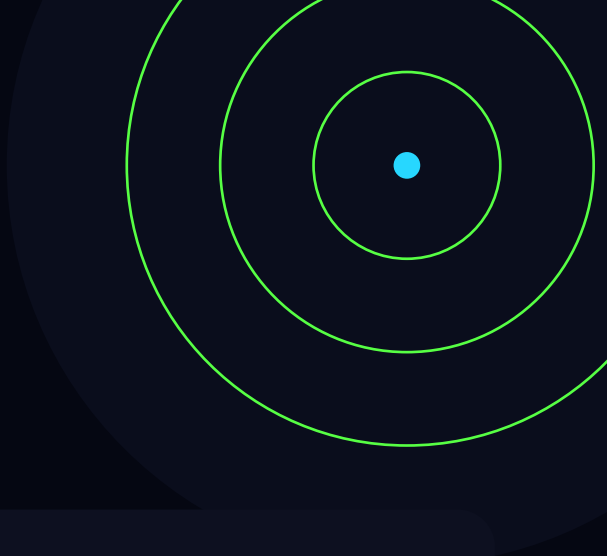

Minimum allocation: \$499.99

Maximum per user: \$2,000

Active Pool reference: \$123,232

Target settlement: 1-3 hours

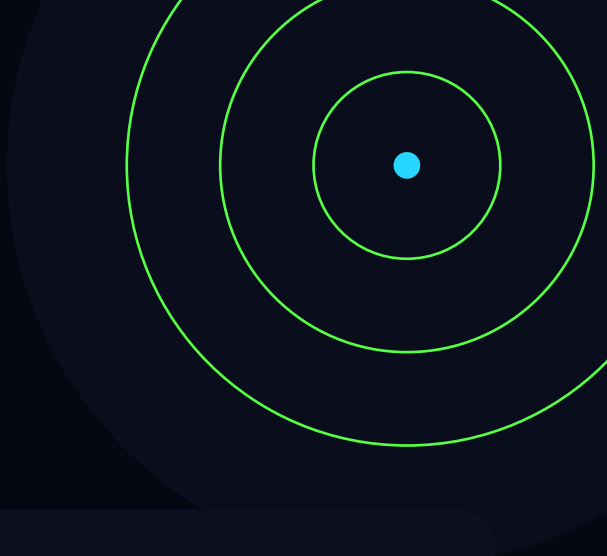

Optional auto-reinvest

HOW A SESSION MOVES

A clear sequence from preparation to settlement.

- 01 PREPARATION — exchange and time confirmed
- 02 ASSET REVEAL — approximately T-02:00
- 03 POSITION OPEN — private session access
- 04 SETTLEMENT — result calculated and recorded

SECURITY & VERIFICATION

Control is a system, not a promise.

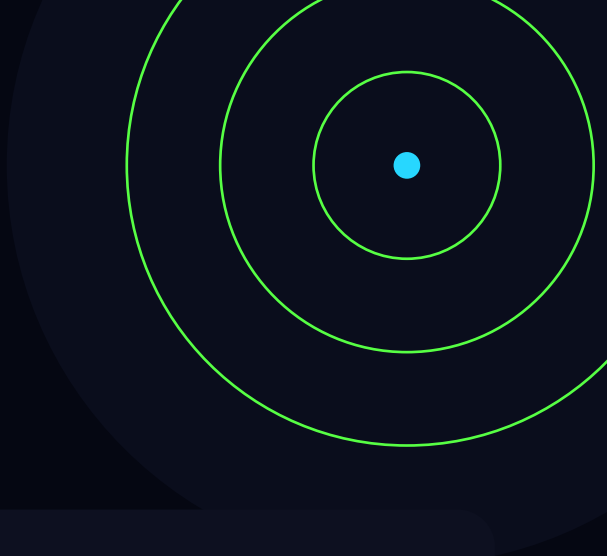

Email + password account access

Identity verification before LIVE and financial functions

Legal name, address, passport or ID, and live selfie

Private document storage and administrator review

Operational and security audit trail

BE READY WHEN THE MARKET MOVES.
